

SAINT ANDREW'S AQUA SPORTS CAMP

Saint Andrew's Aqua Sports Camp was originally created in 1993 by Aquatics Director Sid Cassidy, when he was the Head Coach at University of Miami. The popularity of the Aqua Sports Camp was immediate.

We are excited to be able to bring this camp to Saint Andrew's School! It is the only camp of its kind, combining the water sports of Swimming, Diving, and Water Polo into one exciting program!

Participants will learn the competitive rules of all three sports. They will also have time experiencing each sport at their comfort level during "free time" in the pool. We will provide indoor time for relief from the heat and sun every day!

There will be 8 students or less for each coach. The coaches are Red Cross certified in Lifesaving, which includes CPR. They are experts in the water sport they are coaching and bring great enthusiasm to the program.
